

VIP Pet Club and Consult Care Plan - Terms and Conditions

WHAT IS INCLUDED IN THE VIP PET CLUB

The VIP Pet Club covers the main preventative health issues of your pet to ensure a long and happy life. The VIP Pet Club does not cover treatment for unexpected illnesses or accidents – you will need an Insurance Policy to be covered for these eventualities.

Please refer to the leaflet attached to your application form for details of what is included in the VIP Pet Club you have chosen. It is your responsibility to ensure that you receive all the treatments included in the VIP Pet Club. The VIP Pet Club is not transferable to another pet or pet owner.

Membership Cards

When you join or renew your membership you will be sent a membership card. You are still entitled to benefits and discounts off before you receive your membership card. Cards will only be

The membership card cannot be used to pay for goods or services, and cannot be used to gain credit. Use of the membership card is subject to active VIP membership and should you attempt to gain discount with the card and not have active membership then we have the right to retain the card until such time as your VIP membership re-starts.

WHAT IS INCLUDED IN THE CONSULT CARE PLAN

This Plan is only available to VIP Pet Club members, covering all our consultation fees (Monday to Friday 9.15am to 16.50pm) during the period of the annual contract. Any items such as medication or further procedures are not covered by this plan and will require payment at the time.

The Consult Care Plan will have the same start and expiry date as the VIP Pet Club, but payment will be taken by a separate Direct Debit on the same day as the Direct Debit for the VIP Pet Club. The Consult Care Plan is not transferable to another pet.

The Consultation Care Plan covers all consultations with our first opinion team (non referral) that are performed at our main hospital or our branches between 9.15am and 16.50pm. Consultations at home, outside of the stated hours and with our referral team (referral consultations do attract a 10% discount under this scheme if paid for at the time) are excluded from the plan. Minor procedures that may be carried out such as lab sampling fees, test results, skin scrap, tonometry, blood pressure, dressings and nail clipping are also excluded from the scheme.

This scheme covers consultations as outlined above but does not cover medications, operations, diagnostic procedures, assessments once hospitalised, hydrotherapy or physiotherapy. This does not replace an insurance policy.

10% discount terms:

10% discount off dog training and agility does not include behavioural 1-to-1 sessions. Discount only applies to group training classes.

10% discount off retail items does not include any prescription items (including flea and worming treatment, which should already be free as part of your membership)

10% off hotel stays if for dogs and cats only.

Additional health check 6 months post-vaccination can only be taken within a 4 week period around the 6 month anniversary of your pet's vaccination. This health check will usually be with a Veterinary Nurse, however, should your pet be unwell, then you can see a Vet within the timeframe as part of the VIP membership.

Free nail clip at health check can be taken only when booking a Vet or Nurse consult. You may not book a consult purely for a nail clip as part of this benefit.

10% off blood samples is for samples tested in our own laboratory. Samples that need to be sent away to an external laboratory will remain at full price.

Additional HVD vaccine for rabbits is in addition to existing vaccination. The additional vaccine is for the new strain of HVD.
